Point of Interest	<p>The pitch replaced an existing redgra/shale pitch which was used minimally throughout the year due to its age and performance in inclement weather. This replacement pitch was designed to meet the high quality hockey the College wished to offer whilst offering performance and durability for football and other sports.</p> <p>In addition to the synthetic pitch, the redgra was recycled to relevel the first XV Rugby pitch which was then redressed with retained topsoil and seeded with new drainage throughout.</p>
Sports	<ul style="list-style-type: none"> ✓ Hockey ✓ Football ✓ Rugby training ✓ Athletics and training

"We've been very pleased with the service we've received and I've no hesitation in giving Notts Sport a warm recommendation.

They were very patient and invested a lot of time, consultancy and energy assisting us from the early stages of the project, helping us to overcome planning objections which had stymied us for about 10 to 15 years.

There was a real drive for the school to deliver this project for the students – and Notts Sport was pivotal to the success of that."
